TIGER

The Tiger

1966

Foreword

Time is a sort of river of passing events, and strong is its current; no sooner is a thing brought to sight than it is swept by and another takes its place, and this too will be swept away.--
Aurelius

We hope that the 1966 TIGER will help you preserve some of these events through the passing of Time.

Dedication

We, the Senior Class of 1966, dedicate our annual, THE TIGER, to the Seneca Public High School Board.

During the last five years, with their continuing support, our school has expanded its curriculum, added to its teaching aids, and has engaged itself in building new classrooms and improving already existing facilities.

From the school cafeteria to the new Activities bus, the improvements which they have made possible are always present around us.

It is with deep appreciation and thanks that we dedicate this annual to those who have helped establish the best available facilities for present and future students.

Track — 1966

The Seneca Track Squad had another good year with Ronald Godbout, Jarvis Brink, and Lloyd Gilbert making up the coaching staff.

The Tigers took third place at the Ma-Ne League track meet, where they excelled in field events. Records were broken in the discus, shotput, and the half mile.

Twelve boys lettered, eleven of whom will be returning. They promise us an even better season next year.

Activities

"All together now, Rah' Rah' Rah!"

Freshman Initiation

Friday, September 10, 1965 at approximately 8:00 A. M., initiation began for the poor freshmen of Seneca Public High.

The seniors were equipped with green tempera paint and brushes, awaiting the arrival of each freshman, to paint his cute little nose. The array of costumes ranged from long underwear, girdles, and hose to grandma's long dress, fishing boots, and flippers. Some freshmen received refreshments of onions and limburger cheese if they couldn't recite the beautiful poem the seniors had prepared for them.

The evening's activities started from the Harsh corner. First of all, the eager freshmen scrubbed the main street intersection with toothbrushes. Then the group headed for the football field for the grand finale. Various transportation means, for the seniors and Mr. McGee, were furnished by the freshmen.

The seniors were so pleased to know that the freshmen enjoyed their samplings of raw eggs and other little tid-bits. A wide variety of stunts were performed by the freshmen with wonderful cooperation, and everyone had a lot of fun.

In the fall of '65, the Seneca Public High School Band attended Band Day on the Kansas State University campus. It was one of seventy bands participating. During the half time of the football game, the bands made a formation on the field and played three numbers under the direction of Mr. Paul Shull, director of KSU Bands.

On May 14, 1966 the band marched in the 1st District American Legion Convention parade at Marysville, Kansas.

Band members were especially proud of the ratings received at State Music Festival. The band received a I on its prepared number and a II in sight-reading.
